I. General information of VCCI:

Vietnam Chamber of Commerce and Industry (VCCI) is a national organization which assembles and represents business community, employers and business associations of all economic sectors in Vietnam. The purpose of VCCI is to protect and assist business enterprises, to contribute to the socio-economic development of the country and to promote economic, commercial and technological co-operations between Vietnam and the rest of the world on the basis of equality and mutual benefit. VCCI is an independent, non-governmental, non-profit organization having the status of a legal entity and operating with financial autonomy.

The functions of VCCI shall be as follows:

1. To represent the Vietnamese business community for the promotion and protection of the lawful, legitimate interests of the business community and employers in Vietnam in domestic and international relations.
2. To promote the development of business enterprises, entrepreneurs, the cooperation among business entities and to offer assistance in trade and investment, economic and technological co-operation and other business activities of enterprises in Vietnam and abroad.

II. Benefits from advertising on VCCI English website:

- Your company's image and information appear directly and effectively to hundreds of thousands of foreign visitors who want to do business in Vietnam. This is one of the very important English information channels of Vietnam, meeting demands for economic, trading and investment information of foreign companies.
- Potential partners will directly visit your company's website via hot-link advertisements.
- Cost effective measure to advertise products and services.
- Being provided via emails with buying inquiries from foreign companies who are interested in your company's products and services via VCCI.
- Free design banner, logo, and make the linkage to the enterprise's website.
- Posting up free of charge PR news or articles of your company's activities in Vietnam on the website.
